

A new website for Happy.

YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Your name, told your way.

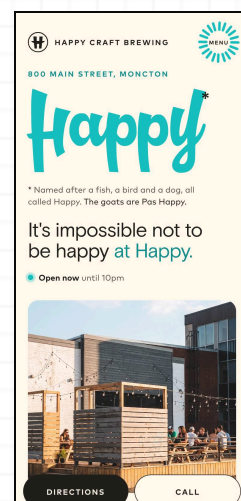

Your site tells how Happy got its name: a fish, a bird and a dog all called Happy, and goats that ended up Pas Happy. One version of the top puts that story right under your own teal script, beside the beer garden on a sunny afternoon.

02 A beer for every mood.

Your beer list already sorts every beer by mood, from FOMO to I don't want to be Happy. Another version turns those moods into a row along the bottom of the screen: point at one and its own line from your list comes up.

03 Pint, popcorn, board game.

Your own line for the ultimate Happy experience. Every version ends at 800 Main Street: directions and (506) 855-2483 one tap away and today's hours live, kept in thumb reach on a phone.
